Subject: Request for Proposals for IGBC I&E Funding – FY2019

In the approved Interagency Grizzly Bear Committee (IGBC) budget for FY 2019, there is currently \$36,000 dollars available for distribution among the 5 grizzly bear recovery ecosystems to fund Information and Education (I&E) projects that promote grizzly bear habitat and recovery.

Proposals are due to I&E Ecosystem Chairs by COB Friday, November 16.

****Please Note: For proposals to be considered, you must submit them directly to one of the following I&E Chairs below depending on which ecosystem you are requesting funds for.**

Laurie Wolf, I&E Chair, Yellowstone – lwolf@mt.gov – 406-444-9945

Dillon Tabbish, I&E Chair, NCDE – dillon.tabish@mt.gov – 406-751-4564

Amy Baumer, I&E Chair, Bitterroot – abaumer@fs.fed.us – 208-756-5145

Kim Annis, I&E Chair, Selkirk and Cabinet-Yaak – kannis@mt.gov- 406-293-4161 ext. 207

Denise Schultz, I&E Chair - North Cascades- denise_m_shultz@nps.gov - 360-854-7302

Ellen Davis, proposal benefits all ecosystems, ellendavis@fs.fed.us – 406-329-3434

Please be as specific as possible with a short description of your project and the amount you are requesting using the attached criteria and submittal form. Additional pages may be attached as needed.

****Note: I&E Subcommittee Chairs, please collect, review and prioritize your proposals and submit them to me by COB Wednesday, November 28.**

The proposals will then be reviewed by a selection committee and funding will be decided on those proposals that demonstrate the most need and best use of funds for grizzly bear conservation and recovery.

The I&E Subcommittee Chairs will be notified of selections in early December and will be responsible to notify applicants from their respective ecosystems shortly thereafter. If you have any questions, please contact me at 406-329-3434.
