

IGB Bear-Resistant Products Testing Program

Recent actions taken to address program revenue shortfall:

- Increased testing fees \$100 per product.
- Revised testing fee revenue split between IGBC:GWDC (now 75:25).
- Implemented an Administrative Fee.
 - Manufacturers charged \$100 per product.
 - Letters sent to 112 manufacturers.
 - 37 responses have been received (June 15th).
 - \$4,600 in administrative fees have been received.
- Too early to know how this testing season will go.
