Bitterroot Ecosystem

2015 Accomplishments & Program of Work 2016

Forest Service

Bitterroot Ecosystem Subcommittee Highlights

- The committee awarded beautiful bronze plaques with citations to Allied Waste Services and Republic Services (Felstet Disposal). This was in recognition of their efforts and success in utilizing bear resistant containers and methods in dealing with trash disposal, education and awareness.
- Progress toward goals in the current 5-year action plan through grants received for Bear Aware Educational materials and presentations and funding of Bear Rangers.

Forest Service
