

YES Goal #1: Successfully transition to management of a delisted population

Objective: Finalize the Conservation Strategy by [DATE]

2023 Accomplishments

- Demographic monitoring workshop (with Integrated Population Modeling)
- Small group updated Chapter 2 Population/demographic Objectives and Monitoring
- YES approved the draft for public feedback, due 12/15

2024 Planned Actions:

1. Review feedback and revise Chapter 2 and complete the Conservation Strategy (YES Subcommittee)
2. Submit Final Conservation Strategy to IGBC Executive Committee (YES Subcommittee Chair)
3. Continue monitoring and reporting (IGBST and NPS/USFS)

Future Reporting

- Chapter 2: Demographic Criteria and Monitoring
- Chapter 3: Habitat Standards and Monitoring
- Chapter 4: Management and Monitoring of Grizzly Bear-Human Conflicts
- Chapter 5: Information and Education
