Is this a product re-test? ☐ Yes (\*see box below) ☐ No

**\* What modifications did you make to the product after it failed the most recent test?**

<b>Product Specifications</b>	Height		Width/Depth		Capacity / Volume	
	Length		Weight			

Would like your product returned to you after testing? ☐ YES \* ☐ NO

\* If YES, please provide a PREPRINTED FedEx or UPS mailing label with your account number with your product

***Please provide detailed information when describing your product below.***

***\*\* Incomplete forms could delay your product test. \*\****

Product material details  
(gauge of metal used,  
type and thickness of  
plastic, areas of  
reinforcement, etc.):

Please describe design and  
operation of the latch (how it  
works to make the product  
bear-resistant):

Extra steps needed to secure  
container or contents (e.g.  
padlocks or locking bolt(s)  
required, contents must be  
placed in sealed bags within  
container, etc.):

If multiple versions of a  
product are being submitted  
at the same time, describe how  
they differ (i.e. what makes  
this unit different from the  
others being tested?):

Other notes or instructions:

I understand that if I make any changes to the product's specifications after it is tested, the testing result from this product test becomes invalid: \_\_\_\_\_Y \_\_\_\_\_N
